Vesak Day (Buddha Day) Ceremony Announcement

Dear Dhamma friends and devotees,

In accordance with the four significant events of the Buddha's life—the **prophecy (Vyādeit), birth, enlightenment under the Bodhi tree, and Parinibbāna**—we will commemorate the sacred **Vesak Day (Full Moon of Kason)**.

On this auspicious day, at the Tipitaka Monastery in Kent, Washington, we will mindfully reflect on the virtues of the Buddha and collectively perform meritorious deeds, including:

- Offering scented water to the Buddha image
- Pouring water at the Sacred Bodhi Tree
- Listening to Dhamma discourses
- Participating in other wholesome activities

Therefore, we warmly and respectfully invite all of you to join us in gaining merits and listening to the Dhamma together.

Date: Sunday, April 26, 2026
